Who We Are

The Family Enhancement Centre is an inclusive full service counselling centre working with children, youth, adults, couples, and families. Over the last 15 years we have been expanding geographically as well as increasing our services to include groups, assessments, corporate services and more.

We value helping individuals inside and outside of our workplace by extending a helping hand to those in need. We put people first and value humility and character. We honour the development and betterment of others before our own desires. We inspire trust and confidence in others, and create higher levels of engagement, empowering others to harness their talents and strengths. We accept and delegate responsibility, share power and control, and co-create a culture of accountability. We strive to be skilled communicators, listening objectively while seeking to understand. As compassionate collaborators, we invite the contributions of others. We anticipate the future and use our intuition and discernment to create a shared vision.

The Family Enhancement Centre is an equal opportunity employer. We are situated in a multi-cultural neighbourhood and are committed to attracting and retaining a diverse and inclusive workforce who will work together to create & sustain a vibrant, healthy, safe, and caring community.
