Who We Are

The Family Enhancement Centre is an inclusive full service counselling centre working with children, youth, adults, couples, and families. Over the last 15 years we have been expanding geographically as well as increasing our services to include groups, assessments, corporate services and more.

We value helping individuals inside and outside of our workplace by extending a helping hand to those in need. We put people first and value humility and character. We honour the development and betterment of others. We inspire trust and confidence in others, and create higher levels of engagement, empowering others to harness their talents and strengths. We accept and delegate responsibility, share power and control, and co-create a culture of accountability. We strive to be skilled communicators, listening objectively while seeking to understand. As compassionate collaborators, we invite the contributions of others. We anticipate the future and use our intuition and discernment to create a shared vision.

The Family Enhancement Centre is an equal opportunity employer. We are situated in a multi-cultural neighbourhood and are committed to attracting and retaining a diverse and inclusive workforce who will work together to create & sustain a vibrant, healthy, safe and caring community.

The Family Enhancement Centre welcomes and encourages applications from people with disabilities. Accommodations are available upon request for candidates taking part in all aspects of the selection process.

In Accordance with the Accessibility for Ontarians with Disabilities Act (AODA), The Family Enhancement Centre Team will provide accommodation, accessible formats and communication supports for the interview upon request.

We thank all applicants for their interest, however, only those selected for an interview will be contacted.
